

THE NEW JERSEY SOCCER GROUP

Press Release

Jersey Select Builds Towards Bright Future with More Signings
Haddonfield, NJ — May 11th, 2010

General manager and coach at Jersey Select Erwin van Bennekom, along with his staff, are proud to announce the latest additions to the first-year outfit that plans to take the Women's Premier Soccer League (WPSL) by storm in its inaugural season. Following the recent announcement that Veronica Rhea, Natalia Torosian and Brittany Ratcliffe would be joining the squad, four more young stars have been added to the roster.

The first is Chester-born Kimberly Reichel, a midfielder currently plying her trade with Rider University, who started all 19 games in the 2009 season. Her style of play is not limited to soccer, though it is her chosen strength — in high school at West Morris-Mendham, she picked up All-State honors in soccer and was a First Team All-County, All-Area and All-Conference in both soccer and lacrosse, taking both teams to conference and county championships.

She will be joined by fellow Rider player Alexandra Post, a formidable goalkeeper who has been a similar asset to the college, playing all 38 games in two seasons. Ranked 10th in the nation with 7.21 saves per game in 2008, ranking in several top ten MAAC lists in both years with her club. If that wasn't enough, her high school career also speaks volumes; she led her team to back-to-back PA state championships and three league championships, and was twice a First Team All-Area and All-League selection.

Ashley Walsky is a defender who will likely fit into the team with ease given her pre-existing partnerships with fellow Rowan University players Linda Sierra and Veronica Rhea, who also play with the Select. A Rowan Scholar-Athlete, Ashley earned All-County honors with Douglas High School in Parkland, Florida.

Finally, midfielder Carly Salter will add further strength to the Select following a number of successes with Saint Joseph's University Hawks, where she was scoring leader in 2007. A resident of Marlton, NJ, she was recognized for her contributions to Cherokee High School with two First Team All-Conference selections as well as All-Group IV, All-South Jersey, All-County, All-State and All-State Top-20 South Region honors.

Jersey Select competes in the East Coast Conference of the Women's Premier Soccer League (WPSL), providing the highest level of women's amateur soccer in the United States, and is a member of The New Jersey Soccer Group, a management company for a family of soccer-based organizations offering a full-range of soccer services in New Jersey.
